To give you a brief introduction about myself, I have been blessed to teach at several Islamic schools in the area such as a **1st Grade teacher at ICCL Academy and 3rd Grade teacher at Alhuda school** and also at Islamic after school programs like this one internationally under the supervision of Shaykul Hadith Shaykh Mumtaz-ul-Haqq RA. Alhamdulillah. I have grown up studying at an after school Quran/Islamic studies program (Maktab) - **Noorul Imaan Madressah (South Africa)** Then continued my further studies in the **Alimiyyah program at Jamia Zainab (Zambia, Lusaka)** for several years. Currently, I'm completing my Alimiyyah program with Maryland Institute of Development under the supervision of Sh. Javid Bhaiyat.

Alhamdulillah I have also received a Bachelor's degree in Nutrition and Dietetics from University of Maryland.
